

Parking for the 9th Bluewave Poomsae Championships

For parking to run smoothly at 9th Bluewave Poomsae Championships, please can we ask that everyone ensures that you all adhere to the parking arrangements below:

- Those staying at the hotel, should park in the hotel car park.
- Officials, volunteers assisting at the event and Blue Badge holders will have reserved parking on the outdoor tennis courts. Some additional parking may also be available on the outdoor tennis courts, however priority will be given to officials, volunteers and Blue Badge holders. To maximise this parking area, please make sure you park considerately.
- All other coaches, competitors and spectators should look for parking spaces in the hotel car park or if there is spare space on the outside tennis courts after 8.30am. There will be overflow parking also available at the Open Practice in Lutyens Close. A map is attached which shows the areas we have reserved. Please only park in those areas highlighted in green, this includes general use of the disabled bays. Marked lines can be ignored to allow for more cars.
- Any cars parked in the red areas or left overnight will be subject to a penalty notice. Let's try and avoid that happening.
- We do not have access to parking at Absolutely Offices, so please do not park in their spaces.

Please can we ask that this parking information is shared out to all coaches, competitors and spectators from your clubs.
